**A PRETTY WEDDING WEDNESDAY MORNING.**

A pretty and simple home wedding took place Wednesday morning at eleven o'clock at the home of Mr. and Mrs. Richard Owens, when their daughter Maude Luella became the bride of Emmett Ennis, of Williams, Arizona. The wedding march was played by Miss Helen Minshall and the ring ceremony of the Episcopal church was performed by Archdeacon J. J. Bowker in the presence of the relatives and a few friends. The bride wore a becoming messaline gown of midnight blue with bead trimmings and carried a white prayer book. A dinner was served at noon at the home of Mr. and Mrs. William Owens and those assisting were Misses Margaret Craigie, Elaine Bundy, Helen Minshall and Mrs. J. W. McGraw. The table was prettily decorated with pink and white sweet peas.

Mrs. Ennis was born in this city and graduated with honors from the local schools. Later she attended business college in Lincoln and for a number of years had been an efficient employee of the First National bank. She endeared herself to a large circle of friends by her pleasant manner and sweet disposition and was popular with young and old. She was a faithful member of the Episcopal church and had charge of a Sunday school class.

The groom is a prosperous young rancher and a nephew of William Stegall of this city. He has furnished a comfortable home for his bride at Williams, Ariz.

The honeymoon will be spent in Denver and other points.

In addressing a meeting in London Wednesday evening John Hodge, England's minister of labor, said he was giving away no secret in saying that at his recent conference between representatives of the entente allies the determination had been arrived at to terminate the war by the end of the summer. This confirms the report made some time ago that when spring opens England will throw 2,000,000 fresh men on the fighting line and will hurl them against the Germans regardless of the cost of life, figuring that it is better to lose a million men in one great drive that will end the war than to lose the same number of men in desultory attacks that will require many months to attain the same end.

**SOME GOOD ADVICE**

Strengthened by North Platte Experiences.

Kidney disease is too dangerous to neglect. At the first sign of backache, headache, dizziness or urinary disorders, you should give the weakened kidneys prompt attention. Eat little meat, take things easier and use a reliable kidney tonic. There's no other kidney medicine so well recommended as Dean's Kidney Pills. North Platte people rely on them. Here's one of the many statements from North Platte people.

Mrs. L. B. Tarkington, 209 E. Eleventh St., North Platte, Neb., says: "I use Dean's Kidney Pills whenever I have need of it kidney medicine. They always give me fine relief from backache and other kidney disorders, keeping my kidneys in good condition. I therefore cheerfully endorse them as a fine kidney medicine."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the same that Mrs. Tarkington had. Foster-Milburn Co., Prop., Buffalo, N. Y.

Miss Ruey Shaner, of Maxwell, formerly of this city, who spent the past week with friends in town, left Wednesday evening.

County Treasurer Souder, who had been off duty for several days on account of illness, resumed work Wednesday morning.

**Mutual Building & Loan Ass'n.**

OF NORTH PLATTE, NEBRASKA.

**ASSETS \$840,000.00**

To Prospective Building & Loan Borrowers;

Non-resident Building & Loan Companies are advertising the fact that they have reduced the monthly payments of borrowers to \$1.10 per month on each \$100.00 borrowed, making the monthly payment the same as the Mutual Building & Loan Association of North Platte. They fail to state that of the \$1.10 paid to the non-resident company, there is only thirty-five cents credited as a principal payment, the balance seventy-five cents being taken for interest. Of the \$1.10 monthly payment to this association on each \$100.00 borrowed sixty cents is for interest and fifty cents is credited as a principal payment.

This difference in the amount credited the borrower will result in the borrower in the non-resident company being compelled to pay not less than \$25.00 more on each \$100.00 borrowed in order to discharge the debt than they would if they were doing the business with this Association.
